

PLAY WITH THE PROS MUSIC

What is Play with the Pros?

Play with the Pros is interactive, live-band entertainment. Your event attendees may pick a song from the list of over 150 tunes and sing and/or play with the groove labs band.

Do you provide extra musical equipment?

Yes, we do. Feel free to jump on the guitar, bass, drums or keyboards. We have plenty of extra vocal microphones too.

Is this like karaoke?

Well, yes it is, except it is "one louder" because you get to perform the music with the groove labs band instead of that cheesy canned music from karaoke discs.

The lyrics are delivered to a 30" monitor on stage.

Wow, how fun, how much?

Play with the Pros prices for \$8,500 and that includes sound production, props and coordination. Optional fees include web site sign up to create pre-show buzz and awards such as gold record giveaways.

With whom have you worked in the past?

Some recognizable names include Toyota, DaimlerChrysler, Eaton Aerospace and JPMorgan Chase. This program is especially popular with Associations and professional meeting planners.
